SELECTMEN'S REPORT

Two hundred years ago, do you think the Taylors and the Smiths would have thought that Danbury would go forward and celebrate its Bicentennial in 1995? Who knows what they thought as they constructed their homes in Danbury, but a celebration was had, and it was a great one. A lot of hard work and community effort went into making the Bicentennial the success that it was, and we thank all of you for that.

As authorized by last year's Town Meeting, our tax mapping project is almost complete. This will be a major asset in the assessment and identification of parcels of property within the Town.

The Workshop completed a federal grant application for renovations to the Baptist Church. This grant was not approved, but has been resubmitted, and we have reason to be optimistic about our chances this time around. Hopefully, we will know by Town Meeting, and we will be able to go forward and develop this property into a community center that will serve our townspeople.

There have been several changes in officers during the year. Marie Meola moved to Florida after several years as our Town Clerk and Tax Collector. The Selectmen appointed Sylvia Hill to those positions, therefore creating a vacancy on the Board of Selectmen. Steve Gordon, a member of the Budget Committee, was appointed to the Selectman's position.

Laurie Hunt left as the Selectmen's secretary after providing excellent service to the Board, and Christie Phelps is now performing those duties.

Even with the changes, we have had a good year. For the third year in a row, we were able to reduce the tax rate and for the first time in memory, we did not need to borrow money in anticipation of taxes, therefore reducing the expenses of operating the Town.

1995 was not without its sad note though, with many of the senior members of our community passing on. We will all miss Reggie Glines at the dump, as well as seeing the familiar faces of Ruel Ford, Ansel Powers, Kimball Phelps, Lizzie Austin and Irene Pulver, and the smile of John Tadakowsky.

October and November brought unusually heavy rains following a very dry summer, and there was considerable damage to the Town roads. The State was declared a federal disaster area, and we have received about \$17,000 so far in state and federal aid, with more to come once all the road repairs are completed.

The heavy demands on the Town equipment bring forward the need to trade our 16 year old loader in for a new one. The one we have now has close to 10,000 hard working hours on it, and has served us well. The Selectmen and the Budget Committee are recommending that we purchase a new one this year.

The Selectmen would like to wait until next year to purchase a new police cruiser and even out some of the capital expenses so they are not all at once. Our present cruiser has about 65,000 miles on it, and is still in good shape.

We will be developing a recycling/separation program to reduce the tonnage of waste at the transfer site, and need everyone's cooperation to make this program effective.

The Selectmen will continue to work together with all department personnel to provide you with the best services possible without significantly raising taxes.

Thank you to all of the volunteers and officials and citizens of this Town who give so much to make Danbury a great place to live.

Sincerely,
James D. Phelps
James M. Larkin

To see if the Town will vote to authorize the Board of Selectmen to appoint a committee of five people to do the necessary research, hold a public meeting(s) and develop a recycling plan for the Town of Danbury. This proposed plan to be presented to the Board of Selectmen by June 30, 1996. The sum of \$2,200 to be raised and appropriated in anticipation of implementing said recycling plan and to cover expenses of the committee. Committee expenses shall not exceed \$200. (Recommended by Selectmen. Recommended by Budget Committee.)
6. To see if the Town will vote to raise and appropriate the sum of \$2,000 to be added to the Police Department Capital Reserve Fund previously established. (Recommended by Selectmen. Recommended by Budget Committee.)
7. (By Petition) To see if the Town will vote to raise and appropriate the sum of \$30,000 for a fully equipped, "duty ready," 1996 Ford Explorer 4x4 Police Cruiser as specified by the Chief of Police as follows: \$7,500 to be raised by taxation in 1996, \$7,500 to be raised by issuing a long-term note of two years; and to authorize the Selectmen to issue and negotiate such note and to determine the rate of interest thereon; and to also authorize the expenditure of \$15,000 from the Police Capital Reserve Fund for this same purpose. (Not recommended by Selectmen. Not recommended by Budget Committee.)
8. To see if the Town will vote to raise and appropriate the sum of \$5,000 to be placed in the Bridge Capital Reserve Fund (Recommended by Selectmen. Recommended by Budget Committee.)
9. To see if the Town will vote to raise and appropriate the sum of \$1,900 for the replacement of an overhead door at the Fire Station. (Recommended by Selectmen. Recommended by Budget Committee.)
10. (By Petition) To see if the Town will vote to raise and appropriate the sum of \$750, to be raised by taxation in 1996, for the New Hampshire Association of Chiefs of Police Professional Standards Committee to provide a Professional Management Review, Evaluation and Department/Community Needs Assessment. (Not recommended by Selectmen. Not recommended by Budget Committee.)
11. (By Petition) To see if the Town will vote to raise and appropriate the sum of \$940 to be raised by taxation in 1996 for the purchase and installation of a security and alarm system upgrade as specified by the Chief of Police for the Danbury Police Department office. (Not recommended by Selectmen. Recommended by Budget Committee.)
12. (By Petition) To see if the Town will vote to designate Brad Chase, Forbes Mtn. Road, Frazier Road, New Canada Road, Walker Brook Road and Wiggin Road as "Scenic Roads" pursuant to RSA 231:157-158. This designation shall not affect the town's eligibility for State aid funds for

such roads; it shall not preclude the emergency repairs to such roads or to utilities within the public right-of-way; and it shall not affect the rights of landowners with respect to work on their own property except as provided by other laws protecting boundary markers and stone walls.

13. To see if the Town will vote to raise and appropriate the sum of \$15,000 to be placed in the Fire Truck Capital Reserve Fund. (Recommended by Selectmen. Recommended by Budget Committee.)
14. To see if the Town will vote to amend the sign ordinance adopted in 1987 to read as follows:

J. The height of any sign shall not exceed 20 feet above surrounding road grade.

This changes from the original wording which reads:

J. The height of any freestanding sign shall not exceed 20 feet above surrounding road grade, or 2 feet above the roof ridge of any building to which it is affixed.

15. (By Petition) To see if the Town will vote to urge our Representatives to the General Court of New Hampshire and the United States Congress to pass laws reforming electoral campaign financing, thus returning the political process to the will of the people and encouraging the participation of candidates with great ability and limited means. Measures to accomplish this may include, but not be limited to, the following:
 1. Sharp limitations on all forms of contributions to candidates, including soft money contributions (contributions to political parties);
 2. Maximum spending limits per election linked to geographic and demographic makeup of each state and district, such as \$1.00 per voter;
 3. Sharp limitations on all forms of spending to influence elections, including independent expenditures;
 4. Sharp limitations on contributions to and spending by political action committees; and
 5. Remedies, such as free broadcast time; postal subsidies, and democratic (public) financing, to balance inequities between credible candidates, incumbent and challenger, rich and poor.
16. To see if the Town will vote to authorize the Board of Selectmen to accept, on behalf of the Town, gifts, legacies, and devises made to the Town in trust for any public purpose, as permitted by RSA 31:19.
17. To see if the Town will vote to authorize the Board of Selectmen to accept gifts of personal property which may be offered to the Town for any public purpose, pursuant to RSA 31:95-e. The Selectmen must hold a public hearing before accepting such gifts, and the acceptance shall not bind the town to raise, appropriate or expend any public funds for the operation, maintenance, repair or replacement of any such personal

property.

18. To see if the Town will vote to authorize the Selectmen to sell any material or equipment deemed surplus to the Town's needs.

19. To transact any other business that may legally come before this meeting.

Given under our hands and seal this Twenty-First day of February, in the year of our Lord Nineteen Hundred and Ninety-Six.

BUDGET COMMITTEE REPORT

The Budget Committee spent many hours going over the various budget requests. A five year review on most accounts was done in order to try and get a true picture of expenditures.

All departments heads were invited in, and a lot of major decisions were based on their input.

Only one public meeting is planned for this year, and we hope you will be there with your questions and concerns.

People must understand that our final recommendations are a consensus of the Committee and not all members voting just one way.

As Chairman, I thank the Committee members for their interest and devoted effort.

AUDITORS' REPORT

We, the undersigned auditors of the Town of Danbury, certify that we have examined the accounts of the Treasurer, Town Clerk, Tax Collector, Selectmen, Trustees of the Library and Trust Funds, and Boat Permit Fee Agent for the fiscal year 1994 and have found the same to be correctly cast and well vouched.

Leo Zaccaria

Arthur Ford

The Auditors are reviewing the accounts for 1995 and will report their findings as required by law by June 30, 1996.

DANBURY PLANNING BOARD

In 1995 the Danbury Planning Board met fourteen times. The Planning Board approved one lot line adjustment, one annexation, and one subdivision; it provided technical assistance to another property owner considering a lot line adjustment, and confirmed its 1982 approval of a subdivision which had apparently not been recorded at the Registry of Deeds by the project sponsor. When a subdivision was proposed for a portion of the Trumpetto lands (which include over a thousand adjoining acres in the towns of Alexandria, Danbury, Grafton and Orange), the Planning Board determined that it should be treated as a "Development of Regional Impact" as provided by RSA 36:54, and notified the other three affected towns and the Lakes Region Planning Commission. To coordinate our respective reviews, representatives from the Alexandria and Grafton Planning Boards attended Danbury's meetings on the subject, and a Danbury representative attended a meeting of the Grafton Planning Board. During our mutual consideration of the proposal, it became clear that it was an annexation rather than a subdivision, and it was approved as such.

The Planning Board continued work on the Capital Improvements Program, and on improving the excavation regulations; it helped the town to obtain the road inventory program conducted by UNH; and it held the required public hearing on the proposed "Community Development Block Grant" application for funds to convert the former Baptist Church to a community service center. Lakes Region Planning Commission staff members attended several Planning Board meetings; and we benefited from guest presentations by Change Parker of the Newfound Economic Development Corporation, and Pete Whitcomb of the federal Natural Resource Conservation Service (formerly the Soil Conservation Service).

Planning Board members also served on the Bicentennial Committee and Budget Committee. Phyllis J. Taylor continued as the Planning Board's representative to the Lakes Region Planning Commission, and as a member of the LRPC Board of Directors she was reelected Treasurer of the LRPC, and served as a member of the LRPC Transportation Committee. In the course of her work for us and with LRPC, Phyllis donated an enormous value of mileage and travel expenses, for which the Planning Board is very grateful. Phyllis Wiggin was appointed to fill a one-year vacancy on the board; but we regretfully accepted the resignations of alternate Kendra Fifield, and clerk Marie Meola, who moved to Florida. Secretary Albert Hopkins generously donated his time and effort to fill the clerk position on a volunteer basis for the remainder of the year. Several members attended planning workshops sponsored by the NH Municipal Association, the Lakes Region Planning Commission, and the Office of State Planning. For its October meeting, the Planning Board traveled to Littleton, New Hampshire to meet with Cartographic Associates, Inc., and to familiarize itself with the intricacies of the town-wide parcel mapping being done by CAI, which was approved at the 1995 town meeting.

As announced in last year's report, Danbury was honored to be one of only five NH communities selected to participate in the Lincoln Institute of Land

Policy's "Land Policy Forum for Planning Officials," a monthly series of interactive workshops in Cambridge, MA, which continued through May 1995. Our expenses were covered by a scholarship worth approximately \$1,250, and the value of the information and the contacts with resource people that we gained is even greater. Danbury also received statewide and international attention when a former Planning Board member, Mary Lyn Ray, received the State Grange "Community Citizen of the Year" award, and was featured in the April "Earth Day" issue of *National Geographic* for her land conservation work.

We learned that we did not receive the federal grant we had applied for; program funds were cut, and only one grant was made in the entire nation for a project like ours. So we have resolved that we will "just do it" on our own, and during the coming year we will engage in partnership activities with other interested local groups. We would like to begin in the spring with the Cooperative Extension Service's "Community Cornerstones," an enjoyable way for everyone in town to nominate the special things about Danbury that are most meaningful and worth preserving. Watch and listen for more details!

For all of Danbury, celebrating our town's Bicentennial was the biggest event of the year—a present from the past, and a promise for the future. The lessons we learned from history, and from each other, about the values of patience, cooperation, sacrifice, dedication, service and town pride can help us to build a better community now, next year, and into the next century.

The Bicentennial Committee deserves special recognition for its astonishing achievements in 1995, and for the very special and lasting gift it has given "to all the residents of Danbury, past present and future," with the publication of *Danbury, New Hampshire, 1795 - 1995, 200 Years of History*. The Planning Board also congratulates the Danbury Workshop/Baptist Church project, for its perseverance and professional-quality advance planning; and the board salutes the revitalized Danbury Historical Society, looking forward to things that we can do together to recognize and preserve the special buildings and places that show our town's historic character. And, speaking of character, cheers continue for the "Danbury Daffodils" project, "Mrs. O," (Mary Jane Ogmundson), her students, and town-wide volunteers who really are making Danbury the Daffodil Capital of New Hampshire.

At this point, you may be thinking you skipped a page: why would the Danbury Workshop project, the Bicentennial, the Historical Society, and the "Danbury Daffodils" be featured in the Planning Board report? The answer is simple: these are some of the visible bonds that draw us together as a community, so that we can construct a shared vision for building a rewarding future. The master plan for the town of Acworth, New Hampshire begins with the words, "*What do we mean by planning? We simply mean providing in advance for the best ways of meeting our expected future needs and avoiding potential problems. We all make plans in arranging our own individual affairs. Those who do not plan ahead soon find themselves and their families in serious difficulties. If personal planning is necessary, it is equally important for us as individual citizens to join together in planning for our community. Indeed, it is even more important, for lack of personal*

planning ordinarily hurts only a single individual or family; failure of a community to plan may cause untold problems affecting all of its citizens."

Nationally, economic studies show that places which take the best care of their environment also have the best job opportunities and the best climate for beneficial long-term economic development, the kind that maintains local character instead of destroying it. In recognition of these discoveries, the state of New Hampshire and its principal agencies have adopted a "sustainable development" policy and a state development plan that emphasize preservation of New Hampshire's character and quality of life as the key to "moving forward while respecting the institutions and traditions that have framed our past."

At Town Meeting, and during the coming year, the Danbury Planning Board will seek support for important things that can be done now to provide opportunities and avoid problems in the future. To recognize some of our scenic and natural assets, the Planning Board recommends that certain roads be designated as "Scenic Roads," as provided by state law. We also recommend that the town-wide mapping effort continue, with preparation of overlay maps that show useful information like topography, slopes, wetlands, aquifers, tree lines, stone walls, fence lines, lots and ranges, soils, and land use; other information such as recreational lands and wildlife habitat could also be indicated. And, together as a town, we need to start working out land-use policies that will help us to manage growth and reconcile it with our needs and resources. We have the choice between designing the future that *we* want, or—by failing to act—allowing our future to be decided for us, by others, through default.

By getting involved with local planning issues and opportunities, each citizen and resident can have a part in making a good difference for Danbury. The Planning Board's regular meetings are at 7:00 P.M. in the Town Hall, on the first Tuesday of every month. Everyone is invited, and welcome. We hope you'll join us!

Respectfully submitted,
Linda Ray Wilson, Chair
January 1996

DANBURY POLICE DEPARTMENT ANNUAL REPORT

The Police Department has experienced the most frustrating year that I can ever recall. The lack of sufficient funding to respond to your Calls for Service has done nothing to enhance our efforts to serve and protect.

We, as a community, are experiencing a growth in demands for police services just like everyone else in New Hampshire. This growth and subsequent demand for services will continue and must be addressed by responsible government and the support of the community.

New Hampshire State Police have been a valuable asset to our police needs, but even New Hampshire State Police do not have the resources to respond in a timely manner to most Calls for Service. According to New Hampshire State Police they responded to thirty-one (31) criminal cases, ten (10) motor vehicle accidents, four (4) motor vehicle arrests (DWI) and approximately six hundred (600) general service calls; or approximately 470 more than 1994.

Of the 4,944 Calls for Service in 1995 to the Danbury Police Department, 1,589 required an officer's response as outlined below. This represents ten (10) more than last year. Of the 1,589 required response calls, 913 were handled under the base salary (on duty). By combining the Danbury Police Department and New Hampshire State Police statistics, we have a total of 2,234 required response Calls for Service for 1995. This represents an increase of 27%.

A summary of the 1,589 Calls for Service requiring an officer's response is as follows:

Death/Injury	8	Sexual Assault	3
Assault	15	Arson	1
Burglary	11	Theft	25
Stolen Vehicle	1	Fraud	1

Dale, Jean and I thank you for your support and wish you all a healthy 1996.

DANBURY RECREATION COMMITTEE

The family of Arthur (Artie) J. Perry III requested that donations be made to the Recreation Committee in his memory in order to build a ballfield at Independence Park. This was a dream of Artie's for many years, and thanks to those donations, we are a major step closer to completion. Artie was a member of the Recreation Committee for five years. He was one of a kind, and his endless enthusiasm and support are fondly remembered.

A proposal for a federal grant was submitted. Unfortunately, the government did not fund that particular project for 1996, so we are requested to apply again in July of 1996 for the 1997 funding round.

The 1995 Winter Carnival was held over February vacation. There was a spectacular torchlight parade at Ragged Mountain Ski Area, with a dance to kick off the carnival afterward. Another favorite event, the Lumberjack Competition, was very well attended, with quite a few new participants.

A fort was constructed at the playground to replace the shoe.

We had a portable toilet brought in this year for the summer months. The Bicentennial Celebration was held at the park on June 18. The Recreation Committee organized a cookout, and many who attended brought salads to share. It was a very successful day. The gazebo was built in honor of the bicentennial and the community events being held at the park. We hope everyone will have the opportunity to picnic there.

Horseshoe pits have been put ink, and the horseshoe tournament for the Grange Fair was held at the park. The Recreation Committee sold hot food at the gazebo, and hopes that next year's weather will be more favorable. The Grange Fair Day street dance was also held at the park.

Electricity was installed at the gazebo, and it was decorated with Christmas lights.

Fund-raising was started and is ongoing for a skateboard area with a half-pipe for the park.

A very informative meeting was held with a representative from the Municipal Insurance Association.

Recipes have been collected for a cookbook to raise money for completion of the ballfield. They will be ready for sale at the end of March. We hope that everyone will support this effort and thank all who contributed recipes.

If you look at the financial page, you will see that aluminum cans brought in a total of \$928.00 this year. We would like to thank you all for sorting and saving.

We look forward to seeing you at the Park.

**TOWN FOREST FIRE WARDEN
AND STATE FOREST RANGER REPORT**

In calendar year 1995, our three (3) leading causes of fires were Children, Non-Permit fires not properly extinguished and Smoking Materials.

Violations of RSA 224:27 II, the fire permit law, and the other burning laws of the State of New Hampshire, are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

To aid you Forest Fire Warden, Fire Department and State Forest Fire Officials, contact you local Warden or Fire Department to find out if a permit is required. This also helps to prevent unnecessary response to a controlled burn.

OLD HOME DAY - 1995

Old Home Day was hosted this year by the United Church of Danbury on Route 104. The day began with a church service at the United Church, followed by a scavenger hunt. The clues for the hunt were as follows:

1. Old Soldiers Home Beneath the Toll
2. Spirits Rest on Both Sides of this Bank's Door
3. Take a "Walk" by the Old Mill Stream
4. Fasten Your Bindings; It's Sunny Side Up
5. One Through Four, Chalkboards and More
6. Mussels Home Past Andrews Field
7. Where the A-Frame Meets the Pike
8. Your Journey is Over, Return to Four Corners

(Answers below)

Flags were at each location for teams to pick up their next clue. Clues were in varied orders. The winners were:

1st - Audrey Pellegrino, Kathleen Colby, Bryan Pellegrino

2nd - Henry Mahoney, Gabrielle Mahoney

3rd - Audrey Curren, Savannah Phelps

Following the Hunt was a lunch at Independence Park. Children listened to a story written and told by Mary Lyn Ray. A business meeting was held. The chairman for 1996 is Gary Ford, and the Danbury Christian Church will host Old Home Day in 1996. The South Danbury Christian Church will host Old Home Day in 1997.

The day wrapped up with children's relay races.

GEORGE GAMBLE LIBRARY REPORT

Hours 12-4 P.M. Saturday year-round

Librarian: Dorothy McGonnigal

Hours 6-8 P.M. Wednesday from April to November

Library circulation for 1995 was 3,096 books (adult: 2,296, children: 774). This years, as in the past, we have purchased many new books. To make room for the new additions, books, other than the classics, that have not been circulated in ten years or more, have been cleared from the shelves and stored in the back room These books are still available to anyone who is interested. A new carpet has replaced the old one, which has been retired, having served for many years.

Thanks to those who kept the building and grounds in good repair, and thanks to everyone who donated books.

The experiment in summer hours was very successful, so these hours will become permanent.

Parent/Child Program	15

Thank you for your continued support of VNA services. In 1995, we provided more than 1,100 visits in Danbury, 7 days a week, 24 hours a day.

All of the appropriated funds from the town of Danbury have been used to provide home care visits, hospice volunteer training and supervision, and well child clinic visits to people who had no insurance or inadequate insurance or funds. Other visits were subsidized by donations or paid by commercial insurance or from state and federal grant funds.

We depend heavily on the selfless support of volunteers and employees who contribute hours to the success of our programs. For them and our Trustees, we are grateful. Six VNA employees live in Danbury.

DANBURY SENIOR CITIZENS' GROUP

The senior citizens of Danbury once again enjoyed a cruise around Lake Winnepesaukee and lunch on the "Mount Washington" on a perfect June day. The trip is usually scheduled for mid-June and everyone is welcome; however, it is free only to seniors of Danbury. This is made possible by the town appropriation and the Andover Lions Club. If anyone is interested in cruising with us, call LENA HUNT or let us know at the May luncheon at the Grange. The seniors also meet for lunch at the Grange hall on the third Thursday of the month and enjoy playing Bingo after lunch. If you would like to join us for lunch, call MARGE FORD or DOT HEATH by Tuesday of the third week.

BRISTOL COMMUNITY CENTER 1995 REPORT TO THE TOWN OF DANBURY

The Bristol Recreation Advisory Council and the staff here at the Bristol Community Center would like to start off wishing everyone a happy 50th anniversary. The Bristol Community Center is 50 years old this year (1996). What an accomplishment and service the residents of Danbury have given the Newfound area.

We would like to thank all the residents who participated in the annual events, the seasonal athletic leagues, the after school programs and the fund-raisers.

This year was a growing year for us. We started a new Newsletter format, added Community Education programs this past fall and worked on programs for the area teens which is a growing concern for many in the area towns.

The BCC offered three youth league programs again this year (basketball, baseball/softball/teeball, and soccer). Our baseball/softball program is run by a five member commission through the Bristol Community Center, and supports 27 teams and over 100 volunteers. In addition to the youth leagues, we organized Middle School and High School dances, instructional classes, Tot Time, open house hours, competitions, summer camps, swimming lessons, adult basketball and adult badminton, adult karate and adult aerobics along with the Community Education instructional classes. This year we started the Tuesday night Teen Coffee Shop which has been a great success, and will continue with more evenings during the 1996 season.

The Center also reached its fund-raising goal by organizing and sponsoring 21 fund-raisers in 1995 which included a Monte Carlo night, a March Dance, the Lobster/Chicken Supper, the Annual Apple Festival, monthly teen dances, and much more. All of our fund-raising success is due to the number of volunteers that donate their time to our program.

We started our handicap access project this past fall. We have started the grading process on the driveway and have fixed two of the drains that needed attention. This winter we will be working on the door lips, inside handles, the unisex bathroom area and the new entrance in the back.

Before closing we would like to thank the School District and all the principals who have opened their doors to the ever growing programs that the Center is sponsoring. Without their patience and support we would not be able to offer the programs we do.

We would like to express out sincere gratitude to Freudenberg NOK for their continued support and to Dead River for sponsoring the new radio ads that the Bristol Community Center placed on WLNH.

Before closing, we would like to invite all of you to the "1996 - Looking back

over 50 years" at the Bristol Community Center. We will be sponsoring programs throughout the year that were once offered here at the Center, and will be sponsoring monthly articles of the past in the local papers. Hope you will enjoy the "ride through history" with us.

Thank you again for all your support.

Elizabeth C. Mitchell, CLP

LAKES REGION PLANNING COMMISSION

Below is a sample of the services provided as a benefit to the community.

- Provided consultation and technical assistance to thirty-one member communities.
- Prepared an analysis for a permanent or semipermanent household hazardous waste facility in the Lakes Region.
- Sponsored the fall sessions of the NH Law Lecture Series.
- Met with federal and state officials to influence policy and help keep the Region an active participant in many ongoing programs.
- Coordinated the 11th one-day super collection of hazardous waste materials.
- Served as Board Member to Belknap County Economic Development Council and the Newfound Economic Development Corp. Mitigation Advisory Committee.
- Continued work on the Lake Winnepesaukee Watershed Project.
- Supported and staffed the Lakes Region Transportation Advisory Committee.
- Completed a Tourism Profile of the Lakes Region.

DANBURY BICENTENNIAL GROUP

The Bicentennial Group had a very hectic year, but it all proved worthwhile with the publishing of our first official history book after 200 years and a gala two-day celebration.

The first day was June 3rd and the day started with a 5K road race sponsored by Ragged Mountain Ski Area, which may become an annual event. Five-K sounds easy, but when it ends in the parking area of the ski lodge it becomes quite a challenge!

There was a giant flea market and entertainment and refreshments all day, a parade in the afternoon, and a New England boiled dinner followed by entertainment at the Grange, and a spectacular fireworks display after dark.

The second day of the celebration was a picnic in the park on the actual anniversary date of June 18th. The day started with a walk from the Grange hall to Independence Park for a prayer service followed by coffee and donuts. Lunch was provided by the Recreation Committee, followed by an old-fashion band concert sponsored by the Grange, and then a band for the younger generation.

The total appropriation for 1994-95 for the Bicentennial celebration amounted to \$16,000. Our total expenditure during the two years was \$16,779.29, and at the end of 1995 the group had returned all but \$3,471.46.

We still have a supply of souvenir items for sale at reduced prices. They will be available at the town hall on election day and at town meeting. You may contact members of the committee if you wish to purchase any of these items. The history books are also available for \$15.00.

The Bicentennial Quilt that was raffled at the celebration was purchased from the winner by the committee and the selectmen, and presented to the town as a memento of the bicentennial. It will hang in the town hall or other public buildings in town on special occasions.

The committee wishes to thank everyone for their help and participation in making this special occasion a success.

KEARSARGE AREA COUNCIL ON AGING, INC.

Keeping in mind our mission to "support and enhance the health, well-being, dignity, and independence of...senior adults," your young COA both grew and expanded again in 1995, and is now over 1,200 members strong.

COA's services to its clients remain its main priority—rides, small repairs, telephone reassurance calls, friendly visits, Good Day respite day care, office information and referral service, and the important monthly newsletter. Our number of clients has increased by about 14%, to 165, and the units of service to these seniors by 35%, to over 2,000.

Its variety of offerings now include "life enrichment " events such as a monthly luncheon and speaker program in area churches, regular quilting sessions, wintertime bridge lessons, holiday social events at Christmastime and Valentine's Day, a "Family Scrapbook" program in area libraries, intergenerational involvements, and community receptions in each of our nine towns. Attendance at events such as these totaled over 1,300 in 1995.

Important happenings in 1995: the Board of Directors updated and revised COA's bylaws. Our newsletter was enlarged to 8 pages, thanks to the support of our business advertisers. An advisory board of area professionals was formed to assist COA in specialized matters. Our Vice President was named by Governor Merrill to the NH State Committee on Aging, having been a NH delegate to the White House Conference in May. The Board conducted a survey of the interests and needs of its members to aid it in planning COA's future.

Essential financial support came from different sources: one quarter from our 9 towns, one quarter from the townspeople who supported our annual fund drive, one quarter from grants from foundations and organizations, and the last quarter from our newsletter advertisers, our grateful clients and fund-raising events, etc.

Our greatest resource remains our faithful, generous and conscientious corps of talented volunteers, over 200 of them. Without them we simply could not "enhance" the lives of our senior adults. COA's Board of Directors is very gratified by the wide spectrum of support it is now receiving from every volunteer, from every town, from so many organizations and individuals. Your older neighbors are the appreciative beneficiaries. Thank you.

Respectfully submitted,
Phebe H. Downey
President

DANBURY WORKSHOP

The Workshop has again filed an application for a grant to convert the Old Baptist Church to a Community Center for the people's general use. It is more or less the same as the former application. The significant addition is the description of the benefit that the town will receive when the Community Center is established. It will indeed be a big help to us all when we can utilize community services that will be close at hand for parents, children and the elderly so they can receive most of their public needs locally.

At the last awarding of the grant, Danbury came within a small margin of being successful. This time we will be even closer or, hopefully, we may even succeed. That is the way the plan is arranged.

ANDOVER LIONS CLUB

The members of the Andover Lions Club would like to thank everyone for their support during our various fund-raising projects such as:

- Pancake Breakfasts
- Bingo and the Food Concession Table
- Fourth of July Grocery Raffle
- Sports Cards & Collectibles Shows
- Light Bulb Sale in Andover, East Andover, Potter Place, and Danbury
- Roses Sale
- Lions Mints
- Food Concession at Fourth of July Events, Musterfield Farm Days, and Danbury Community and Grange Fair

As an organization of volunteers we depend on your support to fund our various charitable endeavors. All monies raised from the community return to the community in some way.

Some of the ongoing charitable programs we support are:
